Overview of our Collection

Welcome to our new Summer collection at Trespass. Colour is vibrant this season, as you will see from our colour palette on p12.

Brights and prints dominate our Surf collection, with atlantic, yellow, sasparilla and viola bringing energy and enthusiasm to the summer ahead.

Something that we are all excited about this season is our new Active collection for men and women.

A complete range of strong colour blocked pieces, suited to an energetic, outdoor lifestyle. We have a great selection of cycling and running gear, including performance tops, pants and jackets. Keep an eye out for our new multi-functional Softshell jackets for both men (Hartman) and women (Genius) with zip off sleeves and tailored specifically for cycling. And don't forget to check out our Accessories section to compliment the collection. New styles include Metric and Dubstep pedometers along with our existing helmets and bottles to complete the look.

Our footwear range is ever expanding with new innovative products and this year is no different. Styles Source and Serena are an exciting new addition. These supportive three season boots have a durable full grain Nubuck leather upper and Tres-tex® lining to give total weatherproofing. The high flex midsole gives supple support and the Vibram® outsole offers protection and grip.

Enjoy exploring this workbook. Its contains a broad collection covering many price-points and end uses. We're sure you'll find your next big seller amongst these pages. Read on, Go further...

DLX

DLX is a hand selected range specifically chosen to provide the best in performance and features. This is the best of the best, ideal for those who demand a little bit extra. DLX spans the entire collection, from accessories to high-end outerwear yet remains true to the ethos of value in a life outdoors. Delux performance clothing and equipment. Designed for Life in extremes.

TRES-TEX® 3 LAYER FABRIC

Trespass excels in "bad weather" solutions. Tres-tex® 3 Layer Waterproof Fabric is breathable and Windproof with taped seams. The fabric is supple and durable and when used as the outer shell in a layering system, 3 Layer Tres-tex® will allow you to maintain a dry and comfortable personal environment when the weather is not at its best.

TRES-TEX®

Waterproof, windproof and breathable, this performance fabric is used in many of our ranges. Supple, durable and functional coatings and surface treatments help repel water and work with your layering system to draw moisture away from your body.

TRES-SHIELD

Tres-shield Fabric, ideal for bad weather situations. Waterproof, windproof & taped seams, this performance fabric is used to produce a range of great value outerwear. Supple and durable, functional coatings and surface treatments help repel water and wind keeping you comfortable.

PACKAWAY

Be prepared without sacrificing weight and space in your pack. Packaway garments are lightweight, adjustable and less bulky yet retain their performance.

3-IN-1

3 options in 1 garment. A custom layering system consisting of an outershell and removable fleece offering maximum versatility and the ability to adjust your personal microclimate.

AIRTRAP®

Designed for comfort and warmth from soft, light, breathable, anti-pill fleece, these garments are a versatile mid-layer. The special structure of Airtrap® not only stretches to give you freedom of movement but creates airspaces that trap and hold your body heat.

TAPED SEAMS

Every seam produced creates hundreds of needle holes that water can get through. Applying a thermoplastic tape under heat and pressure will seal the seams to keep moisture from passing through. Taped seams keep you dryer and warmer.

COLDHEAT®

Coldheat Insulation. Lightweight, durable and soft lofted fibres trap and hold the heat generated by your body, giving you maximum freedom of movement allowing you to stay comfortable in the most arctic of conditions.

DUOSKIN®

Duoskin® Intelligent Fabric from Trespass effectively draws moisture away from the skin. This moisture quickly evaporates when brought to the surface of the fabric, leaving you dry and comfortable. Tightly woven fibres, high wicking and quick drying.

DUOSKIN+®

Trespass DUOSKIN+® technology is your first line of defence against harmful UV and uncomfortable humidity. UV protection, lightweight and quick drying. Developed with travel and leisure in mind.

COOLMAX®

Coolmax® fabric offers soft, lightweight and breathable comfort. It wicks moisture away from your body keeping you cool, dry and comfortable.

COMFORT STRETCH

Comfort Stretch offers maximum comfort while allowing extreme freedom of movement when worn. Lightweight, it is ideal for all outdoor adventure travel.

ANTIBACTERIAL

Garments are treated with an odour prevention treatment to help keep the clothing fresher for a longer period of time.

Fabric Rating System

Finding the right combination of waterproofing and breathability to meet your exact needs is crucial if you want to stay warm, dry and comfortable in any condition. We make finding the fabric that's right for you easy, with our tiered rating system. The quick reference guide lets you zone in, indicating where this particular item sits in the Technical Performance range. Choose the 'TP rating' to satisfy your needs or activity. The higher rating means increased features/performance.

Summer 2012 Colour Palette

Our Summer 2012 palette takes inspiration from what we love, travel and an active lifestyle. Base colours of dusky pink, ghost and wildberry for womens compliment our mens warm earthy tones of fern, brick and dusk for our adventure range. We introduce a selection of fresh, dynamic colours for our active range, including wasabi, fiesta and sapphire for men against the vibrancy of sasparilla, citrus and spa for womens.

The mysterious depths of the ocean are reflected in our womens surf palette. Coral and pink tones contrasting with rich ocean blue hues and the darkness of black iris. While viola, atlantic and yellow dominate our energetic palette for men.

Partnerships and Events

As well as the regular 'TRADE ONLY' shows we feel it is important to stay in touch with the public, maintaining a presence the real end users.

METRO, SKI AND SNOWBOARD SHOW

The Trespass Big Air played host to the London Ride and the British Snow Tour Invitational Championship with top British and International athletes competing throughout the week on a 50ft kicker. The 50ft kicker was even bigger than last year. The Trespass name cannot be missed when visiting this hugely popular snow sport show, it is also represented in all printed literature, podcasts, online video and has links from the website. www.metrosnow.co.uk/

THE TRESPASS BRITISH SNOWBOARD & SKIERCROSS CHAMPIONSHIPS

A grass roots competition circuit designed to attract new blood culminating in the grand final, the "Brits" held each year in an alpine resort, most recently Laax in Switzerland. This is supported by the Schools Tour. Champions inspire youth to get out and be active. The Schools Tour takes to the road to educate and inspire school pupils to try snowboarding and skiing for the first time. The team of professionals - among them Olympians & British Champions - will visit schools across the UK. The tour also receives a huge amount of coverage online and in the ski and board press as well as regular slots on television and regular podcasts. www.britishsnowtour.com

SNO!zone AT XSCAPE

For years now Trespass have been closely involved with the entertainment complexes that are Xscape. In each centre there are popular indoor real snow slopes run by SNO!zone. Trespass not only have visibility within all of these slopes, but have branded hire areas and concessions in place too. All clothing for hire has been supplied by Trespass as well as the uniforms for all staff including medics and instructors alike. These centres are a huge draw for consumers and not only encourage snow sport in summer months, but allow people to witness Trespass clothing in action throughout the year. www.snozoneuk.com

MASON FEREBEE

Trespass provide clothing support for young Mason Ferebee, who with the help of his family is entering ski competitions far and wide. Whether its his local Milton Keynes SNO!zone. Last year's jacket and trousers have been excellent and seem to be much more resistant to wear than previous designs although I'm not sure if it's due to the material or that Mason's not catching himself on the rails as much! He was chosen as one of 16 riders to compete in the Quiksilver Radar Freestyle competition in la Plagne France.

NICK PIOTROVSKI

Nick hails from the Russian Federation but kills it all over Europe. His time is mostly spent upside down, busting powder lines or filming with his crew 'Action Brothers'. If you can read Russian, visit Action Brothers site, if not, Nick has a MySpace page. He won the Hibin Freeride competition in Kirovsk, Russia, April 2010.

Just a selection of the projects we have been involved in recently. We look to invest in others who will help introduce and proliferate involvement in outdoor sports, and encourage others to . . . Go Further!

If you want to keep track of events or join in on the social media front, Trespass is available via Facebook, Blog & Twitter.
