

WOMENS SOFTSHELL

A revolution in sports apparel designed for highly energetic pursuits.

Softshell is an alternative to more traditional 'hardshell' + layering options. Intended to be ultra mobile and perfect for many conditions.

New for this season, we introduce our exciting new style Genius. A multi-functional softshell jacket that transforms into a gilet whilst on the go - ideal for cycling.

Our TP75 range offers updated stretchable, waterproof and breathable fabrics with bonded insulated lining. Styles are mixed with grown on hoods and funnel necks with taped and bonded pockets. Details for this season include inner sleeve cuffs and audio pockets on selected styles.
