NEW FOR THIS SEASON - XXS Size Collection

In the past, the scope of what we termed "Youth" sizes fell between those aged 9 to 16 years old. We realise that within this age range, we have kids and young adults. We can't expect a 9 year old and a 16 year old to have the same taste in clothing, or the same practical needs. In order to meet the needs of this group, we have done away with "Youths" all together and replaced with XXS.

This also means our Kids range (previously 2 -10yrs) will expand to encompass 12 year olds. Now, at least with selected styles, from 13 years upward, we can offer designs from the adult ranges. An added benefit of this is for smaller sized adults. Those who have always found the adult range too large for them will now have an offering among the XXS.

To clarify: Kids range 2-12 years old. Selected Adult ranges starting at XXS, covering the youth market as well as smaller sized adults. Specific styles have been selected for the youth and smaller sized adult market. Fresh contemporary styles, dynamic and bursting with energy. This change allows us to focus better in each area. You can easily find these specific styles. Each is highlighted using the new Youth Symbol. This symbol lets you know the sizes start at XXS.

P Pour les petites tailles – Un meilleur choix (La collection XXS remplace la gamme Youth)

Notre section youth était dédiée aux jeunes de 9 à 16 ans. C'est une gamme qui se vendait difficilement. Un enfant de 9 ans et un jeune de 16 ans ont des goûts et des besoins différents. Pour les satisfaire, nous avons remplacé la gamme "youth" par la nouvelle collection XXS.

Deux offres:

Pour les petits... Notre collection enfants (jusqu'à présent 2-10 ans) sera offerte jusqu'au 12 ans.

Pour les moins petits: Les jeunes de 13 ans et plus trouveront dans la gamme adulte des modèles disponibles à partir de la taille XXS. Un bénéfice supplémentaire, ces petites tailles seront disponibles pour les adultes de petites tailles.

La gamme XXS est une gamme spécifique sélectionnée pour le marché du junior à partir de 13 ans et l'adulte de petite taille. Des modèles contemporains, dynamiques... Ce changement vous permettra d'avoir en magasin une offre qui couvre les besoins dans chaque secteur.

Pour trouver ces modèles facilement utilisez le symbole XXS à coté des croquis. Ce symbole vous indique que les tailles commencent à XXS.

D Kleinere Größen, mehr Auswahl - neue kleine Größen für Erwachsene - Änderung Kinder- & Jugendgrößen

Bis dato führen wir getrennte Kids- und Youths-Größen. Im bisherigen Youths-Bereich 9-16 Jahren gibt es Kinder aber auch junge Erwachsene mit unterschiedlichen Geschmäckern und Bedürfnissen. Um die Ansprüche aller Altersgruppen gerecht zu werden, haben wir die Größenzuordnungen geändert.

Ab HW12/13 bieten wir in der Kinderkollektion 6 Größen an: 2/3 (92-98cm), 3/4 (98-104cm), 5/6 (110-116cm), 7/8 (122-128cm), 9/10 (134-140cm) und 11/12 (146-152cm).

Um die bisherigen Jugendgrößen 13/14 (158-164cm) und 15/16 Jahre (170-176cm) sowie die kleineren Erwachsene Größen abzudecken, bieten wir in den Damen- und Herren-Kollektionen bei ausgesuchten Modelle eine zusätzliche Größe XXS und größere Stückzahlen in Größe XS an. Diese Modelle haben modische, dynamische Designs in frischen Farben und sind mit dem neuen Jugendsymbol leicht zu erkennen.

RUS Внимание! В размерной сетке подростковых и детских размеров произошли важные изменения:

В прошлом категория 'подростковая/молодежная коллекция' (Youth) включала в себя размеры от 9 до 16 лет. Под такую широкую возрастную категорию попадали и дети, и подростки и взрослые, что существенно затрудняло учет особенностей этих групп при разработке дизайна нашей одежды. Принято решение – исправить этот недостаток. Итак, начиная с сезона Зима 2012/13 компания полностью отказывается от категории подростковые размеры (Youth). Она будет заменена размером XXS. Соответственно, детская размерная сетка будет также расширена до 12 лет.

В итоге:

- новая детская размерная сетка (2-12 лет),

- подростковая категория 'Youth' полностью упраздняется

- Специально выбранные взрослые модели будут произведены в подростковом размере XXS. В нашем каталоге эти модели будут выделены специальным новым символом XXS.

When it comes to colour, be bold! This season is all about bright shades and blocks of sharp colour. Garments are dissected and fragmented into strong shapes defined by individual colour, whether it be harmonious or clashing! Even single tone garments are highlighted with special details and flicks of contrast.

The Trespass athletic, sporty look is very distinctive this season. All ranges have sleek, engineered style lines, using three classifications of performance fabrics to define end user focus: TP100, TP75 and TP50. Trespass are all about delivering performance, but also offering versatile wearability, functionality and all day long comfort.

TRESPASS® PARTNERSHIPS & EVENTS

As well as the regular 'TRADE ONLY' shows we feel it is important to stay in touch with the public, maintaining a presence with the real end users.

METRO, SKI AND SNOWBOARD SHOW

This year's show was jam packed with new attractions and returning favourites to create the ultimate day out for wintersports fans. From new experiences to spectacular stunts the show officially kick started the 2011/12 winter season. We witnessed the awesome Trespass Hip Kicker. The Trespass name cannot be missed when visiting this hugely popular snow sport show, it is also represented in all printed literature, podcasts, online video and has links from the website. www.metrosnow.co.uk/

BRITISH SNOW TOUR

Trespass continue to support grassroots competition. The BRITS Invitational Championships stormed The Ski & Snowboard Show, Earls Court, London. This year, twenty four of the UK's freestyle elite raised the roof as they went head-to-head on the massive Trespass sponsored hip kicker in this knock-out eliminator. Amazing action from the UK's best skiers and snowboarders as they battle for the highest honours in the British calendar and includes the Trespass Ski and Snowboard Cross. The most viewed event of the Winter Olympics 2010 is equally popular at The BRITS.

A grass roots competition circuit designed to attract new blood culminating in the grand final, the "Brits" held each year in an alpine resort, most recently Laax in Switzerland. This is supported by the Schools Tour. Champions inspire youth to get out and be active. The Schools Tour takes to the road to educate and inspire school pupils to try snowboarding and skiing for the first time. The team of professionals - among them Olympians & British Champions - will visit schools across the UK. The tour also receives a huge amount of coverage online and in the ski and board press as well as regular slots on television and regular podcasts. www.britishsnowtour.com

SNO!ZONE AT XSCAPE

For years now Trespass have been closely involved with the entertainment complexes that are Xscape. In each centre there are popular indoor real snow slopes run by SNO!zone. Trespass not only have visibility within all of these slopes, but have branded hire areas and concessions in place too. All clothing for hire has been supplied by Trespass as well as the uniforms for all staff including medics and instructors alike. These centres are a huge draw for consumers and not only encourage snow sport in summer months, but allow people to witness Trespass clothing in action throughout the year. www.snozoneuk.com

NICK PIOTROVSKI

Nick hails from the Russian Federation but kills it all over Europe. His time is mostly spent upside down, busting powder lines or filming with his crew 'Action Brothers'. Nick has been working on many projects in the past year and wearing Trespass gear. This year, to create an interesting film, he discovered the uncharted regions of skiing. "Now we are ready to tell you stories of our travels, and open the territory of new slopes, reliefs, emotions and experiences!" If you can read Russian, visit Action Brothers site, if not, Nick has a MySpace page. He won the Hibin Freeride competition in Kirovsk, Russia, April 2010.

Just a selection of the projects we have been involved in recently. We look to invest in others who will help introduce and proliferate involvement in outdoor sports, and encourage others to . . . Go Further! If you want to keep track of events or join in on the social media front, Trespass is available via Facebook, Blog & Twitter.
