

WOMENS
TP50

The perfect starting point for performance wear, the TP50 series offers all round protection against the elements at exceptional value.

Protekt LT: This densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out. Featuring stud off adjustable hoods, underarm ventilation zips, adjustable cuff tabs and plenty of pockets for storage to keep you comfortable in the snow. Protekt LT offers that extra waterproof protection when conditions get tough.

Premium: Our Premium range is designed to take you from the slopes to the street in style and comfort. This densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out.

Traverse: Traverse's densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out. Combining function, fashion and value this range is a firm favourite.

Glacier: Glacier's densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out. We introduce this season waterproof zips on some styles. Combining function, fashion and value this range is a firm favourite.

X2: Two times extra strong polyamide fibre for active pursuits. The multiple coatings improve durability, it's 100% Polyamide with PU & silvery coating. Extra strong protection when conditions get tough.

Crystal: This chic yet practical range is intended to keep you warm, dry & looking great. Add a touch of glamour to the slopes with Crystal's monochrome colour range, diamante details, embossed fabrics & lush super soft inner lining.
