

WOMENS

The perfect starting point for performance wear, the TP50 series offers all round protection against the elements at exceptional value.

Protekt LT: This densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out. Featuring stud off adjustable hoods, underarm ventilation zips, adjustable cuff tabs and plenty of pockets for storage to keep you comfortable in the snow. Protekt LT offers that extra waterproof protection when conditions get tough.

Apex: New to our entry level range, Apex is designed with the budget skier in mind. It's densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out.

Premium: Launching this season, our Premium range is designed to take you from the slopes to the street in style and comfort. This densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out.

Glacier: Glacier's densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out. We introduce this season waterproof zips on some styles. Combining function, fashion and value this range is firm favourite.

Ascent: Another new addition to our entry level collection, Ascent's two tone densely woven shell fabric cuts down on wind chill while the waterproof coating and taped seams keep the rain and snow out. Offering classic ski styling and basic protection against the elements.

Crystal: Crystal's densely woven shell fabric cuts down the wind chill while the waterproof coating and taped seams keep the rain and snow out. Chic yet practical this glamorous range will keep you warm, dry and looking great.
