

Fleece is a hugely diverse fabric which boasts many advantages.

Finding the right level of warmth to meet your needs is crucial if you want to stay warm, dry and comfortable. We make finding the fleece that's right for you, easy with our new AT rating system. The higher the rating the heavier weight of fleece. We offer a comprehensive range with optimum comfort and protection in mind.

Offering a variety of weights and qualities means there is something to suit every taste and budget.
