

MENS
SOFTSHELL

A revolution in sports apparel,
designed for highly energetic
pursuits.

Our TP100 and TP75 Softshells
feature the trusted tres-tex®
waterproof and breathable
technology. Durable and
functional coatings help to repel
water yet still allowing moisture
to vapour out of your body.

This season we have combined design and function
with our exciting new mens 3in1 Softshell -
Applewood. Packed with features it's a sure fire hit
for the winter season ahead. Taped chest pockets and
contrast colour zip details also feature this season.

Our softshells are comfortable, soft and warm on the
inside yet offer good protection from the elements in
challenging weather conditions.
