

# DIAMOND BAR

RIDE ALL KITES SIZES WITH ONLY ONE BAR.

>SAME BAR FOR ANY MODELS

-2 bars sizes in 1. (45cm & 55cm)

01// Dual density winders .

02// Center bar in Aluminium.

03// New Cousins' high quality flying lines F800 22m.

04// Moulded piece on the swivel : «diamond».

05// Large chicken loop with removable pin.

06// Pulley on top of depower line reduces wear.

07// Mini clam cleat system lets you trim the power of the kite.

08// "Hook" Velcro on neoprene over clam cleat and "loop" Velcro on strap. Grip the trim line easily so no more dangling while riding de-powered.

09// An adjustable stopper makes sure that the bar stays in your preferred position all the time.

10// PU extension, prevent rope from rattling.

11// 3D grip, more comfort and precision.

12// Safety line. Dyneema connected to 1 front line. PU covered on Reflex.

13// Knot to remove the bar easily.

14// Quick release. AFNOR Certified.
